Press Release
June 22, 2021

Incident Type: Building Fire

Address: 9 Rogers Street [Click or tap here to enter text.](#)

Dispatch: 1036

Under Control: 1053

Resources: E-6, E-3, E-9, E-5, T7, T6, R-1, DC-1, 03, ALS-1, ALS-2, K-3

Description of Incident: At 10:36, companies were dispatched to 9 Rogers Street for a report of smoke coming from the building. The single story, cinder block building is occupied by an automobile repair shop. Deputy Chief Ryan Cashin arrived first on scene and confirmed a smoke condition and subsequent fire in the ceiling. All occupants had evacuated the building. Arriving companies breached the ceiling to expose and extinguish the blaze. The incident was brought under control at 10:53. The cause was determined to be an electrical problem in the ceiling void. No injuries to the occupants or fire service personnel were reported. Damage is currently estimated at \$15,000.

Civilian Injuries: N/A [Click or tap here to enter text.](#)
